

National Marketing Group Presents:

Healthcare Reform and Your Business

Healthcare Reform is complicated and time-consuming. Regardless of your business strategy, Healthcare Reform will affect you. As an employer, it's absolutely crucial for you to remain current on what's happening to ensure compliance, but like most business owners you don't have the time or man power to keep up with the constantly changing regulation.

Why you need National Marketing Group Services?

As one of South Florida's leaders in employee benefits we have the tools and resources to help you save time and money while offering your employees the quality benefits you need to maintain higher workforce productivity.

At NMGS, we provide:

- HR compliance and guidance regulations
- Expert insurance consultation offering the best rates/benefits to meet your needs
- Superior customer service through managed systems
- Healthcare Reform news and updates via HR 360
- Professionalism, Integrity and Experience

Tools and Resources:

HR 360- We provide client access to our HR 360 portal which offers HR Library tools, Healthcare reform news and updates, HR Forms, Labor Law Posters, COBRA guidance, and much more. We put Human Resources and benefits compliance at your fingertips. It is the one-stop solution that streamlines all HR functions. From supervising employees, and staying compliant with Health Care Reform...to complying with federal and state labor laws...HR 360 stays with you every step of the way with attorney-reviewed tools, guidelines and forms.

Employee Navigator- National Marketing Group has partnered with Employee Navigator to offer companies a virtually paperless system that simplifies enrollment and benefits management while saving time and money for busy Human Resources departments.
